

## Press Release: USMILCOM, Inc Attains GSA Contract

Santa Ana, CA, October 6, 2008 -- USMILCOM, Inc. Distributors of Voice, Video, and Data Network Products announced today that it has been awarded a U.S. General Services Administration (GSA) contract, allowing it to supply various products from its broad product offering to government facilities.

The contract number, GS- 35F-0005V, ensures that USMILCOM, Inc. is a recognized and able supplier of products for government use. In addition, it provides assurance that USMILCOM, Inc. products are of the highest quality and the company model is ethical and professional.

"This is an important step in how we serve our country and customers," said Ray Sefrhans, CEO and Joani Edwards, President at USMILCOM, Inc. "It is both a responsibility and an opportunity, and we couldn't be happier."

Max Miller, Vice President of USMILCOM, Inc., has already announced an expansion of their presence in Middle East as well as Central and South America. "Having the GSA contract will help us grow our domestic manufacturing which will lead to job growth over the coming years. This is a great achievement for USMILCOM."

For further information, please contact Mr. Ray Sefrhans or visit <http://www.usmilcom.com>.

In addition to a vast inventory of standard products, USMILCOM, Inc has extensive custom product design and manufacturing capabilities that include:

- Assembled and Injection Molded Data Cables
- Fiber Optic Cable Assemblies and Adapters
- Modular and Telco Assemblies
- Low Loss Video and Monitor Cables
- Unique Bulkhead Connectors
- Machined or Cast Coaxial Connectors and Adapters
- Sheet Metal Fabrication of Rack Panels and Enclosures
- Special Bulk Cable Formulations (Low Smoke Zero Halogen, Ultra-Flexible, etc.)
- Military and Special Packaging, Kitting, Custom Labeling

USMILCOM, Inc also distributes selected products to complement its manufactured goods including: Ethernet hubs and switches, routers, media converters, protocol converters, KVM switches, video distribution amplifiers/switches and network test equipment. The company provides simple, one-stop shopping for its customers. For more information, please visit <http://www.usmilcom.com>.
